

2018 CONTRACTOR LISTING

This listing was compiled from gate receipts paid by contractors who frequently perform work within Coosaw Creek and have purchased an "Annual Vehicle Passes." Its intent is to inform residents of those contractors that are not subjected to daily or 30 days pass fees. Residents, may of course, choose to utilize any contractor they desire to use or they may elect to use the contractors who will not incur short term access fees. This listing in no way constitutes an endorsement of any of the contractors listed and may not include all contractors who pay the annual pass fee. The listing will be updated annually. It is NOT a living document and will not reflect contractors who arrive or depart after the annual fees are collected.
