Please know that the Coosaw Creek Country Club Board and Management have implementing these changes after thoughtful deliberation and out of an abundance of care and concern for our

community. We know that these are difficult, uncertain and anxious times for all of us. We hope that our membership will continue to support the Club as a great source for meals, exercise and camaraderie, without having to leave your community.

This is a fluid situation and we are not certain what decisions will be made in the future. We will continue to closely monitor the coronavirus situation and take the necessary precautions to help keep our employees, members and guests safe while providing Club services for as long as possible. Email updates will be sent out to notify of changes to our operations and schedule.
