PRACTICE RANGE

Please note: The driving range will close at 4:30pm on Sundays & Thursdays and open at 8:30am on Mondays and Fridays to accommodate weekly maintenance.

The Member’s practice tee has been closed recently due to maintenance for improvement. Please respect the closure of this tee from time to time so that our crew can complete necessary maintenance. Whenever the member’s tee is closed, we will attempt to have an area for hitting off of grass, as weather permits. During the winter, the all access section of the range will be “mats only” during the week. The grass will be used on weekends, weather permitting. This will help maintain the quality of the turf during the slower growing season.

Also, we would like to remind our members that range balls and bags are NOT to be removed from the driving range. If you have any bags or balls in your cars, golf carts, or garage, we ask that you please return them to the driving range so we can keep them in circulation for the enjoyment of all members and guests. Thanks!

MADISON’S INSTRUCTIONAL CORNER

Pitch to Any Pin

Partial wedges and pitches are the scoring shots. That’s just as true for tour players as it is for a 15-handicapper. If you have 20 to 80 yards into a green, a one-putt is your goal. The players who are better at it make more birdies, save more pars and get themselves out of more jams. The keys are to pick the right shot for the situation and to take control of three factors: distance, height and spin.

SET UP FOR THE SHOT YOU WANT TO HIT

1. LOW PITCH
A low, skipping pitch shot is a great play when you have lots of green to work with and can roll the ball to the hole. Your stance is slightly open, and the ball is back, off your right heel. Keep the clubface square to slightly open to make the bounce on the club’s sole skid along the turf.

2. STANDARD PITCH
Good players hit standard pitch shots from a neutral address position—a square stance and clubface, a middle ball position and only a slight forward lean of the shaft. As you swing the club, you want to feel like you’re hitting a mini hook shot, but still skimming the club’s sole off the turf.

3. HIGH PITCH
Pitch shots stop quickly for two reasons: height and backspin. By opening the face and moving the ball forward, you pre-set a higher flight. You also need more speed to create spin, so turn your body faster instead of flashing your hands through impact. Flash speed is hard to control.

FOCUS ON A FEW SIMPLE SWING KEYS

1. SWING SHAPE
On longer wedge shots, a steeper, V-shape swing beats shallow and U-shape. Feel your weight forward, on your front knee, and pivot around that knee. Try to return the clubface at impact with the same loft it had at address. Pushing your hands way forward affects aim and contact.

2. MATCHING UP
Deceleration on the downswing is a killer on any pitch. The longer the shot, the bigger your swing should be—on both sides of the ball. Match the size of your backswing and finish, and keep your grip pressure constant.
Entry Deadline: Thursday, Jan. 29th

**NEW FLEET OF GOLF CARTS**
We have recently received our new fleet of Club Car golf carts! If you have played recently, you have already seen some of the great new features that have come equipped on our carts. We are the first Club in the Carolinas utilizing Visage technology, which is the newest software available that provides the Club and golfers with features such as pace of play monitoring, GPS yardage, GPS mapping and location of our cart fleet, golfer interaction and most importantly, golf cart control. With the mapping and control features we can monitor important details such as where golf carts have gone, as well as set parameters of where golf cars are able and not able to go. We can also monitor the fleet for important data such as battery charge, amp hours, miles driven and additional maintenance features all from the touch of a computer. So come out and play a round of golf to experience our new fleet.

**HOLE IN ONE CLUB**
Please see the golf shop staff to sign up for the hole in one club, before you get your next ace! Each hole in one club member will be charged a maximum of $5 each time another hole in one club member makes an Ace. The bar bill will be divided by all hole in one club members and covered up to the amount of one billing (i.e. if there are 100 members, the bar bill up to $500 will be covered). Anyone not in the hole in one club who makes an ace will be responsible for their own bar tab.

30 DAY RULE: Once a member’s account has an unpaid balance for more than 30 days and a member has not requested review, clarification or disputed all or a portion of the amount overdue, or formally applied for acceptance into the Hardship Program – a member may not participate in premier activities such as golf tournaments or swim meets and the member’s privileges to charge through a member account are suspended. The member may use cash or a credit card to settle ongoing charges, fee or dues. The member shall be advised of this change in benefits and the other key elements of this policy.

60 DAY RULE/$1,000 RULE: Once a member’s account has either an unpaid balance of 60 or more days or has a past due balance of over $1,000, or has not signed an agreement under the Hardship Program, the member’s privileges to use the Club and all its facilities and grounds are suspended. Club privileges include use of golf, pool, tennis, basketball and the dining facility. The suspension will remain in effect until the account is paid in full.

90 DAY RULE: Once a member’s account has an unpaid balance of 90 or more days the account will be turned over for collections. Collection action may include legal action such as small claims court and/or lien against the member’s home or other property or assets.

120 DAY RULE: Unless specifically agreed by the Club to the contrary via the Hardship Program, the Club shall commence legal action, i.e., garnishment, small claims court and/or lien or other adverse action to collect the sums owed to the Club.

LATE FEES & FINANCE CHARGES: The Club shall assess a monthly service charge of 1.5% of all delinquent dues, debts, charges and fees. The Club shall also assess a late payment penalty in the amount of $29.00 per month.

CHARGING PRIVILEGES: If a member falls into charge denied status (as noted by the 30 day rule above) more than twice, the member’s charging privileges will be suspended. Member charge privileges may be reinstated only by providing a credit card for automatic end of month payment. If credit card charges are denied, charging privileges will again be suspended.

SUSPENSION/REVOCATION OF MEMBERSHIP PRIVILEGES: In addition to pursuing any legal remedy the Club may elect to suspend and/or may revoke all or part of the individual’s membership privileges. Revocation of membership privileges for delinquency shall forfeit the member’s interest in any payment or return of any Equity purchase, initiation fee or deposit for any membership privilege, including any golf or other deposit or refund otherwise due from the Club to the member.

Facility Use Guidelines

During the summer months, Coosaw Creek Country Club’s facility use always increases, especially with our ample amenities: the Swimming Pool and Pavilion, Tennis and Basketball Courts, Clubhouse and the Golf Course. We encourage all of our members to take advantage of the various fun activities and facilities available to them. To assure a safe and enjoyable experience for all, it is important to note the following guidelines.

18 HOLE PAR 71 ARTHUR HILLS CHAMPIONSHIP GOLF COURSE – winds through beautiful low country wooded wetlands surrounded by community homes. Golf Pro Shop hours are 7AM-5PM everyday.

- During golf play hours of 7AM to dusk only Pro Shop authorized golfers and the Club maintenance staff are allowed on the course and cart paths.
- Personal golf carts, skate boards or other personal motorized vehicles are not permitted on the course or cart paths at anytime.
- Golfers are expected to dress appropriately. Men must wear collared shirts (sorry-no denim allowed on the Golf Course). For women shirts without collars must have sleeves, and shirts without sleeves must have collars. Soft spikes are required.
- Dog walkers, permitted before or after golf hours, must carry and use pooper scoopers and keep pets off of tees, fairways, greens and bunkers.
- The course is open for public play daily, but all play must be approved by the proshop prior to beginning on the course.

- Any unapproved play, practice or abuse observed on the course may result in suspension of Club privileges and/or fines.

GOLF PRACTICE FACILITY –
The Practice Areas are open during normal Golf Course hours except for posted regularly scheduled maintenance times. Practice areas include the Driving Range, Chipping Green, Practice Sand Bunker, Putting Green and teaching area.

- Teaching is provided exclusively by the Coosaw Creek Professional Golf Staff.
- All practice must be approved by the Pro Shop staff.
- Practice balls may be picked up (Members) or purchased in the Pro Shop.
- Range balls and bags are the property of Coosaw Creek Country Club and shall not be removed from club property.
- Proper Attire is the same as for the Golf Course.

COOSAW CREEK COUNTRY CLUBHOUSE is Coosaw Creek’s community center featuring full service dining, Bar, Meeting Rooms and Pro Shop. In addition to supporting the many social functions of the Members, the Clubhouse banquet facilities are available to Members and the public for meetings, parties, weddings and other celebrations. Take-out and call ahead service is also available.

- Quality denim or golf shorts are allowed in the clubhouse unless specified otherwise for special events. Men must wear collared shirts for dining events on Fridays and Saturdays, and all day on Sundays in the dining room. Shoes and shirts must be worn at all times. Cover ups must be worn over Swim attire.

– A sand filled area equipped with swings, slides and other playground equipment is available and located next to the Pool Pavilion –For safety any child under 9 years old must be supervised by an adult.
- Playground closes at 9:00 PM

No Pets Allowed!

See Rule 10 in the Club’s Rules and Regulations

Ponds – Coosaw Creek’s beautiful ponds have been stocked with fish - but beware of snakes, alligators and other wildlife.
- The course ponds are part of a larger low country wooded wetland area. Please respect this incredible asset and avoid contaminating it with any foreign materials or liquids.
- Fishing is allowed only from the bank and only in designated areas. These areas have been selected to ensure that people fishing are not in the normal flight of golf balls and that ponds can be approached without crossing the course or using the cart paths. They are located:
  - BEHIND THE PLAYGROUND – Approach from McChune Court
  - HOLE 15 – Approach from Arthur Hills Circle
  - HOLE 16 – Approach from Club Course Drive
  - HOLE 17 – Approach from Power Line Break
- Fish in course ponds are for “catch and release” and not for consumption – a major disappointment to our chef!

These guidelines are established to ensure a positive experience for all Members and guests who use the facilities. Enforcement is the responsibility of all members and staff of the Club. A polite reminder is usually sufficient, but should it become necessary to report any violation please call the Pro-Shop or the Club General Manager.

We hope that you enjoy these excellent facilities your Club has to offer. If you have any questions or comments regarding these guidelines or your experience, please feel free to contact us directly at the club, 767-9000. Thank you,

FOR THE BOARD OF DIRECTORS

Mike Benner, General Manager
